Your Navient private student loans referenced below are now more than 100 days delinquent. Your current amount due is \$7,718.53. If you can't make this payment today, *please read on.*

Your private student loan is in jeopardy of default.

When a loan defaults, the loan balance will become due immediately and the loan may be sent to a collection agency. Time is limited to work with us to resolve your missed payments and avoid default.

We want to help you today - call 855-208-6475

Every day, we help customers resolve their payment issues by offering customized solutions. Repayment solutions that may be available include:

- Modifying the terms of your loan to reduce the monthly payment amount
- Lowering your interest rate
- Bringing your account current without paying the past due amount all at once
- Settling your loan. If approved, you'll pay less than the full outstanding balance.

Let's resolve this together

The one thing these solutions all have in common is *we must hear from you.* Call **855-208-6475** to talk to a representative who can help find the best solution for your situation.
